CHRISTMAS 2025 CELEBRATIONS

A detailed photograph of a festive Christmas dinner spread. In the center is a large, golden-brown roasted turkey on a white platter, garnished with green beans, red berries, and small cubes of potatoes. To the left are more green beans and a small bowl of cranberry sauce. To the right is a white gravy boat, a lit red candle, a glass of white wine, and a plate of sliced ham. The background is decorated with pumpkins, sunflowers, and pine branches. A large red Christmas bauble with a gold bow at the top is overlaid on the left side of the image.
